

## PEDCAP

### Butt closure

---

- The PEDCAP butt closure is a general purpose product designed for a variety of applications in distribution networks
- One piece end cap with heat-shrinkable outlet for sealing onto the cables
- Provides an excellent environmental and mechanical seal for telephone splices in the distribution network
- Suitable for use as an overhead, underground or pedestal joint closure in both new construction and maintenance applications.
- Accommodates cables ranging from 2 to 200 pairs
- Versatile branching system
- Unlimited shelf life
